PROGRAM DESCRIPTION:
The mission of the Master of Science in Applied Leadership program is to develop students' leadership skills across a range of disciplines. This program develops research-based skills needed to lead in many contexts, from non-profits to corporations, and from community groups to educational institutions and the US Military. This program embeds real-world experience by bringing in experts in a variety of leadership roles across many fields. The curriculum and assessment both focus on the application of concepts and are based on the premise that everyone can develop strong leadership capabilities.

ADMISSIONS REQUIREMENTS:
- A minimum of a Bachelor's Degree in any field from a regionally accredited US institution with a minimum cumulative GPA of 2.5.
- Must satisfy Campbell University General Admission Requirements and submit a complete application form.
- No standardized tests such as GREs are required for full admission.

CAREER OPPORTUNITIES:
- *Medical & Health Services Manager*
- *Management Analyst*
- *General & Operations Manager*
- *Human Resources Manager*
- *Personal Service Manager*
- *Military Officer*
- *Military Advancement*

MISCELLANEOUS INFORMATION:
- ***Transfer Credit:*** Transfer of graduate credit (if any, and if appropriate) is upon approval of the Dean. The request should be made before starting course work in the program and a maximum of 6 semester hours of transfer credit will be accepted.
- ***Graduation Requirements:*** All students earning a Master of Science in Applied Leadership degree must have a minimum of 30 semester hours of credit and all degree requirements met in order to graduate. Students must complete the curriculum requirements with a 3.0 average or better with no more than two grades of C. Three grades of C or one grade of F will lead to academic dismissal. Completion of all curriculum requirements must be within a five-calendar year period of time. Under extenuating circumstances, an extension may be requested from the Dean. The candidate is responsible for applying for graduation through the Registrar's webpage via the graduation link and all financial obligations must be satisfied prior to graduation.

ADVISER NOTES:

This curriculum is for illustrative purposes only. Matriculated students will receive an official degree plan upon completion of their evaluation of transfer credits.
