VII. For the bachelor's degree, earn at least 124 semester hours of credit, of which the last 32 must be at Campbell.

N.B I: A student is normally allowed to attempt only 160 semester hours before graduation. This number may be exceeded only with the approval of the Retention Committee. From time to time, changes are made in General College Curriculum requirements, graduation requirements, and related matters. Unless otherwise indicated, such changes will be applicable to all students enrolled at the time the change is adopted, as well as to all students who re-enroll after a period of absence.

N.B. II: Extended Program students will be governed by the academic residency requirements of the Service-Members Opportunity Colleges (SOC), which at the baccalaureate level requires 32 minimum credit hours, of which 12 must be in upper-level coursework in the major with Campbell.

N.B. III: Credit hours earned by a student registered in a study abroad program (CUSA) count as hours earned in residence.
