## OUTREACH QUESTIONNAIRE

1. Are there any specific goals you have for this program? (Ex. Student needs you'd like addressed. Areas of education you think students would benefit from.)
2. What format do you wish to have the program? PP, activities, a combination?
3. Please check which areas you're interested in covering:
  - Drug use trends & the common concerns we're seeing
  - Dangerous combinations of drugs and alcohol
  - Signs of alcohol and drug overdoses. What to do.
  - State Amnesty laws (that relieve those involved of charges when calling for help).
  - Social norms (Average % of students who binge drink and/or do drugs)
  - Standard drink sizes including solo cup exercise
  - How to calculate a BAC/raising awareness
  - Tips for avoiding high risk drinking
  - OTHER (please specify)
