Yellow Ribbon Application (2017-2018)

Name: _____ SSAN/Colleague ID#: _____

Academic Program: _____

Freshman ____ Sophomore ____ Junior ____ Senior ____ Graduate or First Professional ____

I understand that my academic scholarship and any other financial aid that is designated for “tuition only” will be applied to my tuition and fees charges BEFORE the enrollment certification is submitted to VA.

I further understand I should submit a Free Application for Federal Student Aid (FAFSA) as soon as possible to see what other aid is available. The website is www.fafsa.ed.gov.

I understand my financial aid awards may be adjusted once VA payments are received. The University must ensure that we are in compliance with federal, state, and institutional policies. If there is any conflict between this application and the VA law and/regulations, the VA law and/or regulations shall control.

I will immediately inform the school VA Representative of any changes to my schedule because I understand it affects money sent to the school. If I make any changes to my schedule after the enrollment certification is submitted, I am liable for any money owed to VA.

To continue receiving these benefits, I understand I must maintain satisfactory academic progress, good conduct, and attendance. The Satisfactory Academic Progress guidelines can be found under the Financial Aid link, www.campbell.edu/student-services/financial-aid/policies.

I understand I am responsible for any overload charges and any tuition owed to Campbell University after the yearly VA cap is met and Yellow Ribbon money exhausted.

I understand that Campbell University can amend the Agreement with Department of Veterans Affairs each year and may choose to discontinue participation in the Yellow Ribbon program. If so, I will be responsible for my expenses after the 9/11 (Chapter 33) payment is made.
