

Campbell University: Day Hall Evacuation Plan

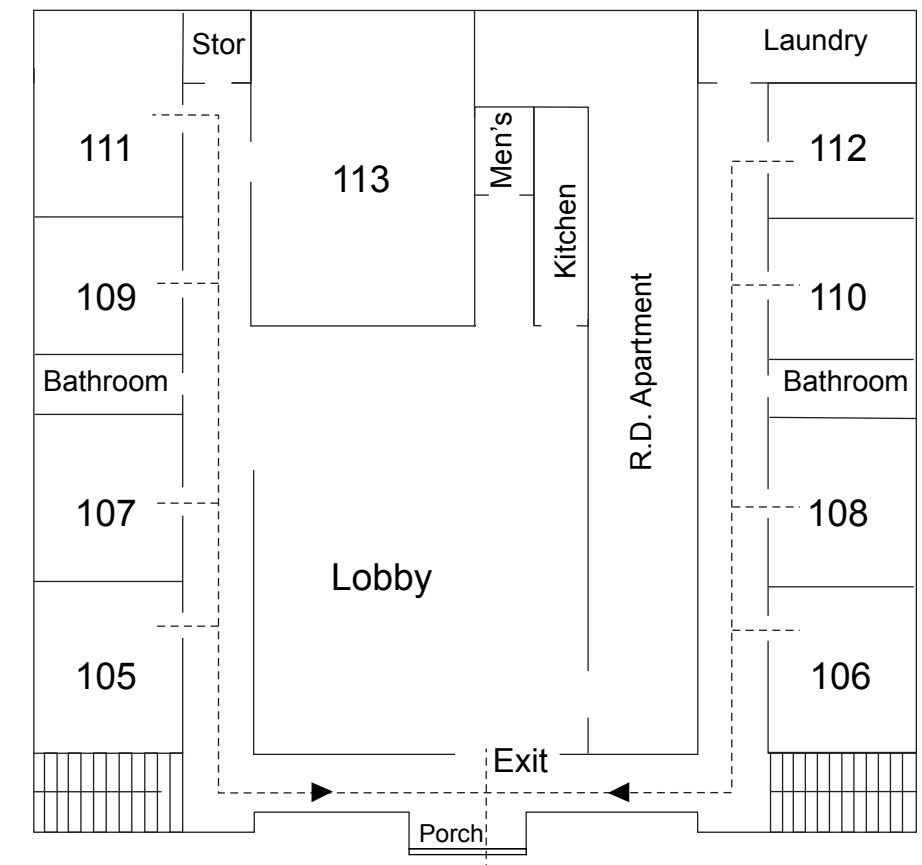

3rd floor

2nd floor

1st floor

Day Hall

“Evacuation and Assembly Instructions: Second and third floor residents should leave the building using the stairwells and exits nearest their room. First floor residents should leave the building through the exit at the end of the hall nearest their room or through the lobby and the front exit. All residents should assemble at the fountain (across from Day Hall) and find their respective hall R.A.’s or R.D. for accountability.”
