Applicant Name: \_\_\_\_\_

Applicant Student ID Number: \_\_\_\_\_

Applicant Department / School: \_\_\_\_\_

Proposal Title: \_\_\_\_\_

Abstract (Please concisely identify project purpose or objective, method, and expected outcome in 150 words or less):

*I am the author of this proposal and the applicant for the associated summer research fellowship, and I attest that if I am selected as an Undergraduate Research Fellow, I will complete the research project outlined in my proposal and will fulfill the responsibilities associated with this program.*

Student's Signature: \_\_\_\_\_

Student's Name, Printed: \_\_\_\_\_

*I have read and reviewed the above-named student's research proposal, and I agree to mentor this student, serving as his or her advisor on the research project described if the student is selected as an Undergraduate Research Fellow.*

Faculty Mentor's Signature: \_\_\_\_\_

Faculty Mentor's Name, Printed: \_\_\_\_\_

I have read and reviewed the above-named student's research proposal and budget. If the student is selected as an Undergraduate Research Fellow, I authorize the use of departmental funds to cover the research materials, equipment, and/or travel expenses listed.
