Insurance Waiver

Campbell University requires all full-time main campus undergraduate, College of Pharmacy and Health Sciences (CPHS), and School of Osteopathic Medicine (CUSOM) students to carry a health insurance plan that provides coverage while in the state of North Carolina. If you are already covered by your own provider, you may apply to waive your insurance by **August 31st**. If your insurance is approved, the Bursar's office will remove the insurance charge from your bill. Insurance waiver determinations are decided by Blue Cross Blue Shield, not Campbell University.

If you are awarded the North Carolina Need-Based Scholarship (NCNBS), you must complete the [Residency Determination Service \(RDS\)](#). This must be completed and approved within 30 days after the start of class. If Residency is not approved by the state of North Carolina, you will no longer be eligible for NCNBS. Don't wait-- do it today!
