Project Title:

In response to the National Science Foundation (NSF) Responsible Conduct of Research policy (effective Jan. 4, 2010), Campbell University requires subrecipients receiving NSF, NIH, or NIFA funding to certify that the institution has a plan to provide appropriate training and oversight in responsible and ethical conduct of research. Campbell will collect this information **prior** to issuing a subaward.

- ☐ 1. Check here if you are the Authorized Representative for your Institution and are acknowledging that subrecipient/collaborator has an RCR policy that conforms to the requirements of the sponsor listed above.
- ☐ 2. Check here if subrecipient/collaborator does not have an RCR policy that conforms to requirements of above sponsor and agrees to rely on Campbell University's RCR policy and procedures to comply with RCR related regulations.

Organizations checking this option are required to follow Campbell's RCR policies and procedures. **If funded**, RCR training will be completed via [CITI Training](#).

3. Name(s) of individuals working on this project who will be required to complete the RCR training **if funded**:
