This application is a request for a review of special circumstances that you feel may change your financial aid eligibility. The Higher Education Act of 1965 (HEA) allows school's authority to adjust data elements reported on the Free Application for Federal Student Aid (FAFSA®) so that the Department of Education can recalculate the Student Aid Index (SAI). The SAI is the number that the school uses to determine a student's eligibility for need-based financial aid. The school does not have the authority to make direct adjustments to the SAI and can only change data elements that may change the SAI.

The Office of Financial Aid requires you to provide certain documents to support your claim regarding special circumstances. The review process begins with an evaluation of the accuracy of the information you submitted on your FAFSA. The Office of Financial Aid will evaluate the documents you submit along with your FAFSA information to determine if you are eligible for any financial aid adjustments. The U.S. Department of Education provides, in the Higher Education Amendments of 1998, a reaffirmation of the use of this type of appeal determining eligibility for federal financial aid. This provision allows for consideration of projected year income, rather than prior year income, to calculate a student's eligibility. If you meet a special circumstance requirement for the current award year, your eligibility may be recalculated.

Please Note:

1. Complete the Free Application for Federal Student Aid (FAFSA) for the current academic year and submit online at <https://studentaid.gov/h/apply-for-aid/fafsa> and use the Campbell University school code of 002913.
2. Complete this form and submit all supporting documentation through the secure link provided to you.
Only submit this form if it is complete, including all required documentation and signatures. Incomplete appeals will not be considered.
3. Please include your Campbell student ID# on all documentation submitted to prevent delay of appeal.
4. Once your appeal and all supporting documentation have been received and reviewed at Campbell University, you will be notified through your CU email address of the outcome.
5. Processing times for the appeal review and processing take 2-4 weeks once all required documents have been received. *Submission of the appeal in no way guarantees an adjustment to the student's financial aid and does not waive payment deadline dates.* I recommend that the student complete all current award requirements and accept any financial aid that the student wishes to pay his/her bill.

STEP ONE: Explanation of Special Circumstances

Provide a typed, detailed letter of explanation regarding your current situation that you are asking us to consider. Please remember to include applicable dates and any documentation supporting your circumstance. If sufficient documentation is not provided, the appeal will be denied as the application will be incomplete. Please make sure your letter is signed and dated.
