A movie poster for 'How to Train Your Dragon'. It features the main character, Hiccup, riding on the back of his dragon, Toothless. They are flying through a sky filled with soft, golden clouds, suggesting a sunset or sunrise. The dragon's large, dark wings are spread wide, and its glowing green eyes are visible. The title 'HOW TO TRAIN YOUR DRAGON' is prominently displayed in a stylized, metallic font across the upper middle of the image. Above the title, the text 'The Official Movie' is written in a smaller, elegant script.

A movie poster for 'MEGAN 2.0'. The title is at the top in large, stylized letters, with the 'E' in 'MEGAN' being a pink double-E. Below the title is a portrait of the character Megan, played by Anya Taylor-Joy. She has long, wavy red hair and striking blue eyes. She is wearing a light blue, high-collared dress. In her right hand, she holds a glowing, ornate sword that emits a bright blue light. The background is dark and moody, with some light rays filtering through.

A movie poster for 'The Mummy'. It features a large, close-up, golden, and somewhat melting face of a mummy in the upper half. Below the face, three pyramids are visible in a desert landscape under a dark, stormy sky with swirling golden light effects. The title 'THE MUMMY' is written in a stylized, golden font at the bottom.

He has his arms outstretched and a joyful expression. The background is a bright, snowy, and misty landscape.
