****Note regarding DO3 & DO4.** Due to a timing conflict related to the early start of DO3 & DO4 fall semester and financial aid processing, an extension is granted to allow additional time for the Office of Financial Aid to award and package aid. Students remain responsible for any outstanding balance not covered by financial aid. The extension is intended to provide time for aid review and disbursement and should not be interpreted as a waiver of payment obligations. Any remaining balance is expected to be paid promptly upon notification of aid determination. Students should be aware that although the bill clearance deadline has been extended for DO3 & DO4 students, the Tuition Refund Policy does not change. Students may drop or withdrawal through day 5 for a 100% refund. No refund will be granted after day 5. **DO3 & DO4 students not utilizing financial aid as a form of payment should remit payment (or enroll in a payment plan and make the first payment) on or before the first day of class.**

***School of Education courses include graduate level courses taught for licensure, AIG, and other special programs.
