

Recently Pending External Grants Submissions*

* Pending applications have been submitted to the sponsor and are awaiting status updates.

Total pending: \$649,622

MEDICINE

1. Dr. Xiuli Dong, National Institutes of Health (NIH), *Elimination of Multidrug Resistance in Bacteria Using Photocatalytic Nanoparticles* , **\$545,000**
2. Dr. Joseph Cacioppo, Health Resources & Services Administration (HRSA), *Student-Led Rural Street Medicine Program: Addressing Mental Health and SUDs*, **\$5,000**
3. Dr. Rodrigo Santos, National Institute of Health, *Immune Evasion Induced by Flavivirus During the Entry Process*, **\$541,664**
4. Dr. Rodrigo Santos, National Institute of Health, *Phosphatidyl inositol modulation as target for broad-spectrum antivirals development*, **\$27,144**
5. Dr. David Tolentino, James West, Health Resources & Services Administration (HRSA), *HRSA Rural Residency Planning and Development Program*, **\$75,269**

Total pending: \$1,150,056

PHARMACY & HEALTH SCIENCES

1. Dr. Pamela Edwards Health Resources & Services Administration (HRSA), *Rural Opportunities and Outcomes through Training and Support*, **\$554,972**
2. Dr. Emily Bailey, National Institute of Environmental Health Sciences/National Institute of Health, *Exotic Snail-Borne Trematodiasis in Urban Waterways: Evaluating Health Risks in Homeless Encampments and Vulnerable Populations*, **\$105,528**
3. Dr. Charles Carter, The National Institute for Innovation in Manufacturing Biopharmaceuticals, *TBA*, **\$27,831**
4. Dr. Xin Chen, National Institutes of Health (NIH), *Targeting both Nrf2 and glutaminase to treat neuropathic pain*, **\$30,400**
5. Dr. Xin Chen, National Institutes of Health (NIH), *Discovering compounds with glutaminase inhibition and Nrf2 activation dual activities for pain management*, **\$370,875**
6. Dr. Melissa Stancil, Dr. Emily Bailey, Duke Energy Foundation, *Back to Nature: Rural Strengths for Sustainability*, **\$24,750**
7. Dr. Bonnie Brenseke, Burroughs Wellcome Fund, *Assessing Climate-Driven Flooding and Public Health Vulnerabilities in a Cape Fear River Community*, **\$35,700.**

ENGINEERING

Total pending: \$2,060,123

1. Dr. Jenna Carpenter, National Science Foundation/ Missouri University of Science and Technology, *Engineering Research Center for Intelligent and Modular Power & Energy*, \$2,060,123

ARTS & SCIENCES

Total pending: \$59,061

1. Dr. W. Glenn Jonas, Jr., Network for Vocation in Undergraduate Education (NetVUE), *Reframing the Institutional Saga*, \$59,061

LAW

Total pending: \$1,526,842

1. Dr. Matthew Cox. National Institute of Justice, *a Mixed-Methods Study of Case Processing, Victim Engagement, and Accountability in Domestic Violence*, \$1,226,842
2. Rick Glazier, City of Raleigh, *Tenant Assistance Services Project*, \$300,000

Total pending: \$3,642,936

EDUCATION & HUMAN SCIENCES

1. Dr. Justin Nelson, National Endowment for the Humanities (NEH), *TBA: Archaeological and Ethnographic Field Research*, **\$150,000**
2. Dr. Jennifer Lowery, Alfred Bryant, US Dept. of Education, *The ELEVATE CENTER*, **\$3,492,936**

Total pending: \$27,611

STUDENT LIFE

1. Dr. Katy Jones, First-Gen Forward and NASPA, *First-Generation College Student Celebration Grant*, **\$5,000**
2. Dr. Rachel Nelson, The Council of Independent Colleges (CIC), *Sharing Stories of Vocational Exploration Across Campbell University*, **\$22,611**

Total pending: \$24,147

ADMINISTRATION

1. Ms. Borree Kwok, National Science Foundation (NSF)/Wheaton College, *Research Infrastructure: The Impact of a Partial Open-Source Financial Management Tool on the Research Enterprise*, **\$24,147**
