Choose to complete hours:

Advanced electives chosen from topics in or related to counseling or chaplaincy.

*Approval must be obtained from both the MDiv and MA in Clinical Mental Health Counseling program to take cross-listed courses with the School of Education.

Requirements and options are subject to revision and/or correction by Faculty action or University policy. It is the student's responsibility to take courses when they are offered, as not all courses are available every year. If you need assistance, please consult your adviser or the professor of the course in which you are interested.
