Christ Centered -- Bible Based -- Ministry Focused

Community Thanksgiving Meal

SALT will host our annual Community Thanksgiving Meal and would love for you to join them! This will also be a great time for everyone to contribute to our **ministry-focused project** which is to assist Campus Kitchen. You can help by giving a monetary donation made payable to Campbell University Divinity School. This will be a great time of food and table fellowship as we celebrate and give thanks for our many blessings. If you would like to make a donation, please see Dr. Lynn Brinkley or Abram Buckner.

Divinity School

Ministry-focused Project

The SALT Team has chosen Campus Kitchen as this year's service project. It is our hope to raise funds that will enable the Campus Kitchen to continue their ministry of feeding those in need. If every divinity student gives up one coffee between now and Thanksgiving and donates those dollars to the project, the goal will be met. Help us support Campus Kitchen!!

I'll Push You

The Office of Spiritual Life invites you to Butler Chapel to hear Justin Skeesuck (Ski-zuk) and Patrick Gray, lifelong friends with insatiable appetites for adventure. Their relationship has taken them all over the world with their most notable endeavor being their recent 500-mile wheelchair journey across northern Spain on the ancient pilgrimage known as the Camino de Santiago. On **November 17, 2019 at 7:00pm** in Butler Chapel they will talk about their award-winning film and bestselling memoir, both titled *I'll Push You*.

Patmos

Bible Land Study Tour 2020: Greece, Ephesus, and the Greek Isles

Join Dr. Andy Wakefield and Dr. Alicia Myers on a trip to Greece, Ephesus, and the Greek Isles on May 10-20, 2020. We will visit many of the places where Paul went on his second and third missionary journeys, including Thessaloniki, Philippi, Athens, Corinth, and a cruise across the Aegean Sea to Ephesus. Ephesus is also a traditional Johannine site, and on our return cruise, we will visit the island of Patmos, where John experienced the visions that are recorded in Revelation. Along the way we will also have the chance to visit many ancient Greek sites, including Delphi, the ancient village of Akrotiri (preserved by a volcanic eruption in 1500 BC), the grave of Philip of Macedonia, and more.

This trip is open to anyone, but students have first priority--and students get a generous discount as well! If you are interested, join us for an information session, at 11:30am on Tuesday, November 12th or at 5:00pm on Thursday, November 14th. You can also ask Dr. Wakefield or Dr. Myers for more information.
