Attendance Policy

Campbell University's attendance policy states students must attend 85% of scheduled classes. This equates to a maximum of 2 class absences per term. The decision of whether a student can complete work for missed classes rests with the instructor.

Add/Drop

Students desiring to drop and receive a full refund of tuition, can do so only during the scheduled Add/Drop period by completing an Add/Drop form. Dates and times for Add/Drop are found under the Calendar of Events for the Summer 2020 semester.

Withdrawal

Students needing to withdraw from classes *AFTER* the Add/Drop period will need to contact their academic advisor. Students are responsible for tuition costs at the time of withdrawal. Any withdrawal requests after Week 5 of the current term will result in a grade of "F" for that course.

Students who do not attend scheduled classes, and fail to drop the class within the listed Add/Drop period, will be held responsible for tuition costs and receive a failing grade.

The following refund schedule applies to all AOE students:
