

MPAP/MSCR Curriculum

FIRST GRADUATE YEAR

Summer Semester I

CLNR-505 Principles of Clinical Research
CLNR-515 New Product Development

Fall Semester I

CLNR-530 Regulatory Affairs
CLNR-552 Scientific Communication

Fall Semester II

CLNR-517 Biostatistical Literacy
CLNR-520 Advanced Data Management

Spring Semester I

CLNR-518 Biostatistics II†
CLNR-566 Study Design & Analysis I

Spring Semester II

CLNR-567 Study Design & Analysis II†
CLNR-606 Clinical Research Seminar

Summer Semester II

CLNR-525 Medical Ethics
CLNR-535 Clinical Trial Operations
CLNR-693 MPAP/MSCR Clinical Research Project I

FIRST PROFESSIONAL YEAR

Block I

MPAP-531 Anatomy & Physiology
MPAP-535 Foundations of Health and Disease I
MPAP-504 Clinical Medicine I
MPAP-515 Pharmacotherapeutics I
MPAP-522 Clinical Skills I

Block 2

MPAP-505 Clinical Medicine II
MPAP-536 Foundations of Health and Disease II
MPAP-523 Clinical Skills II
MPAP-503 Behavioral Medicine
MPAP-516 Pharmacotherapeutics II

Block 3

MPAP-537 Foundations of Health and Disease III
MPAP-506 Clinical Medicine III
MPAP-517 Pharmacotherapeutics III
MPAP-524 Clinical Skills III
MPAP-521 Surgery
MPAP-519 Health Policy

Block 4

MPAP-538 Foundations of Health and Disease IV
MPAP-526 Clinical Medicine IV
MPAP-527 Pharmacotherapeutics IV
MPAP-525 Clinical Skills IV
MPAP-514 Orthopedics

Block 5

MPAP-539 Foundations of Health and Disease V
MPAP-528 Clinical Medicine V
MPAP-530 Pharmacotherapeutics V
MPAP-529 Clinical Skills V
MPAP-510 Emergency Medicine

SECOND PROFESSIONAL YEAR

Clinical Rotations (Fall/Spring/Summer)

MPAP-601 Emergency Medicine
MPAP-602 Family Medicine
MPAP-603 Internal Medicine
MPAP-604 Surgery
MPAP-605 Pediatrics
MPAP-606 Psychiatry
MPAP-607 OB/GYN
MPAP-608 Primary Care
MPAP-611* Elective 1
MPAP-612* Elective 2
CLNR-696** MPAP/MSCR Clinical Research Project II†
MPAP-613 Senior Seminar

*Students may choose an elective clinical rotation relative to their Clinical Research Project and are allowed up to 4 weeks after completion of their clinical rotations to complete the research project.

**CLNR-693 (MPAP/MSCR Clinical Research Project I) must be completed before starting CLNR-696 (MPAP/MSCR Clinical Research Project II).

†Indicates recommended MSCR elective courses

CLNR courses are online and MPAP didactic courses are seated.
