Students eligible to apply to the Nursing program must:

1. Be a current Campbell undergraduate student: **OR**  
Be a fully accepted student to Campbell in the BSGS:Pre-Nursing program with all transfer credits evaluated and on file prior to the BSN application cycle (January 1, 2024) or be currently in progress with this process.
2. Be on track to have **all** prerequisites completed prior to matriculation to the BSN program for the fall of 2024 with a grade of “C” or higher. All prerequisite courses must be completed by the end of the spring semester for your application to be competitive. Completing prerequisites over the summer will delay your application from being complete and significantly impact your competitiveness for the program.
3. All prerequisites must be transfer equivalent to Campbell’s prerequisite courses. Transfer applicants work with your Campbell UG Admissions counselor to determine transfer course equivalencies.
4. Transfer applicants must meet with the Pre-Professional office advisor for prerequisite review **prior to** submitting a BSN application.
