MAJOR IN BIOLOGY Pre-Dental Curriculum

This program is for students preparing for professional careers in Dentistry which require further education at the graduate level. Students enrolled in this curriculum must earn a grade of "C" or higher in all science courses (biology, chemistry, and physics).

NAME			ID No	Date

Minimum of 124 hours to graduate.

See the back of this sheet for additional important information regarding Required/Recommended Electives >

¹ART 131, THEA 131, or MUSC 131

²GCC Humanities and Fine Arts elective list. Choose one course from CHRS 202, 212, 224, 236, 251, 322 or higher, PHIL 121, ENGL 201, 202, 203, 204, 205, or 206, HIST 1xx, 2xx, 3xx, or 4xx (note: 2nd West. Civ. class can be taken as Humanities elective), FLAN 221, 222, 241, or 242

³GCC Social/Behavioral Science elective list. Choose one course from CRIM, ECON, GEOG, POLS, PSYC, SOCI, or COMM 240 ⁴GCC elective: Choose at least one additional course from either the Humanities and Fine Arts or Social/Behavioral Sciences elective lists. (see number 3 and 4 above).

⁵Open elective: any Campbell course, including BIOL courses or courses from the GCC elective lists beyond the GCC requirement. Students are encouraged to complete more than the minimum number of hours in biology.

⁶Students are required to take one of the following: BIOL 430, BIOL 437, or BIOL 438.

Dental School

Students should check the specific requirements for each dental school program. Some schools may have additional requirements. The DAT is required for admission to dental school.

⁷The following courses are <u>required</u> for most dental programs:

- BIOL 430 Biochemistry
- BIOL 334 Microbiology
- BIOL 221 Human Anatomy and Physiology

⁸The following courses are <u>recommended</u> for most dental programs:

- BIOL 250 Histology
- PSYC 222 General Psychology
- Comparative Anatomy/Embryology (BIOL 320)
- Business
- Computer Science
- Sculpture/Art
- Communication studies
