See back

Note: This schedule is subject to change. However, all changes will be communicated as early as possible and the MBA Program staff will work diligently to accommodate students.

4+1 students may take courses in Raleigh, however students will be required to find their own transportation to the Law School.

Electives are noted in Orange Font;

General/Traditional Business Focus Area=GT

Financial Services Focus Area=FS

Health Care Management Focus Area=HCM

MBA 742: Advanced Negotiation & Analysis – Course Schedule

Dates will be forthcoming. This is a Law School course and will take place on Tuesdays and Saturdays and include some coursework online.

MBA 708: Healthcare Quality & Safety

This course will focus on problems of health care quality and safety in the U.S., both historically and at the present time. Hospitals, skilled nursing homes, mental health programs, and other types of providers will be considered. Regulatory approaches and incentives will be evaluated as to their effectiveness in changing providers' behaviors. In addition, the course will focus on methods of evaluating and educating professionals, as well as publicizing ratings of facilities and physicians to influence patients' choices of providers.
