CAMPBELL UNIVERSITY | BUIES CREEK, NC | 27506

Dear Colleague:

We are proud to introduce the Trust Advisors Institute (TAI) to the financial services industry. TAI is a wonderful educational opportunity for you or for your colleagues and employees in banking, credit unions, trust and investment companies, RIAs, supervisory agencies or elsewhere within the profession of being a well-versed fiduciary.

Campbell University has been the leading academic institution in the nation in the field of trust and wealth management for over 50 years. In addition to offering both undergraduate and graduate degrees in trust and wealth management, we made a strong commitment in 1969 to provide the highest quality continuing education programs to the industry. Literally thousands of trust bankers from all around the country have attended the Southeastern Trust School formerly offered by Campbell. They have carried that gained knowledge and expertise with them throughout their successful careers. Today, we are launching a two-part program even better able to meet your specific needs and goals: Trust Advisors Institute—Fiduciary Fundamentals and Advanced Practices. Successful completion of the Advanced Practices program will also lead to the Accredited Trust and Fiduciary Advisor (ATFA) certification held by over 1,000 fiduciaries nationwide and offered to the industry by Campbell University.

**TRUST ADVISORS INSTITUTE – FIDUCIARY FUNDAMENTALS** The Fiduciary Fundamentals program is designed to provide the participant the “big picture” with a very strong grounding in fiduciary law, taxation, financial planning, estate planning, investments, employees benefits, IRAs, compliance, operations, the management of specialty assets and sales.

**TRUST ADVISORS INSTITUTE – ADVANCED PRACTICES** The Advanced Practices program builds on expertise acquired in the Fiduciary Fundamentals Program focusing on advanced comprehensive case analysis; the latest in tax planning strategies; risk management and compliance issues and advanced investment planning strategies.

**ACCREDITED TRUST AND FINANCIAL ADVISOR (ATFA) CERTIFICATION** Trust Advisors Institute leads to being awarded the ATFA certification by Campbell University. Students must complete BOTH the Fiduciary Fundamentals AND the Advanced Practices programs to be eligible to sit for the ATFA certification examination. Fiduciary Fundamentals and Advanced Practices are offered back-to-back requiring the applicant to only be away from the office for one week.

TAI takes place June 4 - 13, 2021 and is limited to 80 students. The program’s small classroom size allows students to participate fully and receive personalized attention while also net-working at social and recreational events.

This brochure explains the program in detail, but here are the key reasons to consider TAI and ATFA certification:

**INCREDIBLE VALUE.** The \$1,695 registration fee for Fiduciary Fundamentals and \$900 registration fee for Advanced Practices (\$2,495 if you register for both Fiduciary Fundamentals and Advanced Practices) includes classroom and workshop hours, lodging, meals and the the ATFA certification application and examination fees—making it an incredible value versus other professional development conferences and fiduciary certification programs.

**CONTINUING EDUCATION CREDITS.** Graduates of TAI Fiduciary Fundamentals are eligible to receive 28 hours of CFP credit.

**ATFA CERTIFICATION** demonstrates the very highest level of expertise, proficiency and skill as a fiduciary to your clients and within the profession.

Please review the brochure to learn more and to register for the program option that best suits your needs. We look forward to meeting you at Trust Advisors Institute this summer!

Sincerely,

Jimmy Witherspoon
