Note: This schedule is subject to change. However, all changes will be communicated as early as possible and the MBA Program staff will work diligently to accommodate students.

***Attend Anywhere classes:** students will have the option to choose each week if they attend class in person, online live, or online asynchronous. 4+1 MBA students will be required to attend in person.

4+1 MBA students may take courses in Raleigh, however students will be required to find their own transportation to the Raleigh Campus. 4+1 MBA students cannot take online courses unless taking an Healthcare Management elective course.

Electives are noted in Orange Font: General/Traditional Business Focus Area=GT; Financial Services Focus Area=FS; Health Care Management Focus Area=HCM; Accounting=ACCT

MBA 742: Advanced Negotiation & Analysis – Course Schedule

Dates will be forthcoming. This is a Law School course and will take place on Tuesdays and Saturdays and include some coursework online.

MBA 708: Special Topics: New Product Development

A traditional “new products” course in which we highlight some of the interdisciplinary issues in product development, such as product planning, customer needs, setting specifications, concept testing, industrial design, and design for manufacturing.
