Want to know what it's like to be a PGA Golf Management student at Campbell University? Come find out this summer! Experience what it's like to live and study here in "The Creek."

Staying on campus can be much more beneficial than a simple, one-day visit. An overnight stay with other prospective students can help you learn more about the PGA Golf Management Program, make a better informed college decision, or help ease the transition into college life.

Gabriella Story, PGA
Program Director

Kevin Nagy, PGA
Internship Coordinator

Quentin Cummings, PGA
Recruiting Coordinator
