

Student/Graduate Employment 2022-2025

Number of Students who Reported Employment to Career Center

Annual student self-reports collected in April

Year	Internahips	Perm.Hires
2022	130	78
2023	124	51
2024	102	27
2025	140	50

Confident in placement numbers. 2024 downturn was a data collection issue.

LFSB will reinstate in-class collection of placement data going forward. Response rates are higher when we monitor students' completion of placement surveys.

Number of Internships and Perm. Hires reported by students to Career Center
