2. EDUC 511: Curriculum Differentiation: Methods and Models for Gifted Education (3)		
3. EDUC 652: Interventions for Literacy Success (3)		

TOTAL 50- 56 hours

NOTE 1: The student must be formally admitted to the teacher education program (fully admitted to graduate program) prior to beginning the internship. Application for the internship placement must be made by March 1 or October 1 of the semester prior to registration for EDUC 557. During the internship, the student should take the Praxis II examinations required for K-6 licensure. For further information, the advisor should be consulted.

NOTE 2: All plans for this program must be made in consultation with the advisor and be approved by the Dean. Additional course work may be necessary to meet licensure requirements.

NOTE 3: Application for the **practicum placement** must be made by March 1 or October 1 of the **semester prior to registration for EDUC 693**. Practicum in the Public Schools may be waived if the student has had appropriate public school classroom experience.

NOTE 4: EDUC 621 Survey of Educational Technology may be waived if prior class work or extensive experience with educational technology in the public schools can be documented.

NOTE 5: EDUC 622: should be the final course taken in a student's program.

NOTE 6: Stage I should be completed before stage II is begun.

NOTE 7: Requirements for adding Academically Gifted (AIG) licensure as part of Initial plus Master's Elementary Education graduate program take:

- EDUC 510 as elective, this course must be taken first.
- EDUC 511 Prerequisite EDUC 510
- EDUC 512 Prerequisite EDUC 510 (not an elective option for Stage 3)
- EDUC 513 Prerequisite EDUC 510 (not an elective option for Stage 3)

Students will document their mastery of core requirements by successfully completing an electronic portfolio.
