Campbell Opportunity Scholarship Fund

Formerly the Fund for Campbell, the Campbell Opportunity Scholarship Fund was changed from a general annual fund into a direct aid scholarship fund out of a need to have additional scholarship money to support our students. Partnering with our Financial Aid office, we have identified students who are in need of immediate funds that will allow them to remain at Campbell to complete their education. These scholarships will be awarded to our students who demonstrate financial need and have satisfied all of their other financial aid options.
