

Campbell Leads

The Employee Giving Campaign offers three areas of support that directly impact students:

Fund for Campbell

The Fund for Campbell makes it possible for the university to embark on exciting opportunities while responding quickly to new challenges and emerging priorities. This flexibility is more important now than ever. When you give to the Fund for Campbell, you are helping to direct vital resources to our greatest needs and continue to enhance the student experience.

Campbell Opportunity Scholarship

At Campbell, we believe our students are worthy of a world-class education. The Campbell Opportunity Scholarship Fund provides immediate scholarship aid to students who demonstrate a pressing financial need and who are in danger of not graduating or continuing their studies at Campbell due to this financial hardship. Scholarships are awarded from this fund on a continual basis to ensure that all students will have the opportunity to graduate and complete their Campbell experience.

Endowed Scholarships

Supporting the student endowment means supporting the mission, culture, and momentum of a Campbell education. Scholarship donors make it possible for us to award over 900 endowed scholarships each year.

Give Online

You can make a secure gift online, whether one time, recurring, or through payroll deduction. Visit campaign.campbell.edu/employee to make your gift online.

Give with Purpose

You choose your amount and you choose what area of the university to support and know you are serving the university's mission to graduate students prepared for purposeful lives and meaningful service.

Be a Sustainer

Use the chart to determine a monthly/biweekly amount that can be deducted from your payroll.
