Join us for Partners for Student Success, a colloquium offering session topics designed to foster innovative, effective and collaborative practices for all faculty and staff to support undergraduate student success.

Partners for Student Success Sessions

Session Descriptions	
Together Supporting Academic Success* CU Succeed Implementation Team LFSB Rooms 108 & 113A <i>*Please bring a laptop or tablet if you are able.</i>	This session will focus on providing you a hands-on orientation to the use of the academic support and intervention tool, CU Succeed. Replacing "Early Alerts" and athlete progress reports, CU Succeed is designed to accelerate, automate and optimize our intervention efforts to support our students and keep them engaged at Campbell.
Supporting Students with Disabilities within our Classrooms Laura Rich, Director, Disability Services LFSB Room 146	You will learn how to support students with disabilities in your classroom and understand federal compliance standards as established by the Americans with Disabilities Act.
How Faculty Impact Belonging Louisa Ward, Campus Minister LFSB Room 147	More than "fit", students find their sense of belonging spiritually, socially, culturally, and intellectually outside AND inside the classroom environment. Join us to understand how your solicitude can improve a students' perception of self and their ability to achieve academic success.
Introducing the Class of 2023 Brooke Taxakis, Reference & Instruction Librarian LFSB Room 149	Get a glimpse at who our incoming students are and ideas on how to become "student ready" for their arrival.
