

## PLEDGE OF PROFESSIONALISM

I, \_\_\_\_\_, as a student entering Campbell Law School, understand that I am both joining an academic community and embarking on a professional career. I acknowledge the privileges inherent in becoming a lawyer and willingly accept the responsibilities that accompany those privileges.

I promise to do my utmost to live up to the high ideals of the legal profession and to uphold the highest standards of academic honesty and ethical practice throughout my legal training and the remainder of my professional life. I will always remember that my actions reflect not only upon myself, but also upon Campbell Law School and the legal profession.

I will always conduct myself with dignity and civility and will treat all of my colleagues – students, staff, and faculty – with courtesy and respect.

I vow to be a person of principle, compassion, strength and courage. I will recognize my weaknesses and strengths and strive to develop the character that is demanded of a lawyer.

I commit to conduct my academic, professional, and personal life to honor the values and standards that are expressed in the Campbell Law School Code of Honor and Professional Responsibility and shared by the legal profession.

This pledge I take freely and upon my honor.
